

Initial Build Notes

11/16/22

Creative Director: Angela Clemente

Designer: Paige Steuber

Meeting notes:

- The edits to the mock up look good
 - o Carousel feature might be good, if possible
- Can rearrange mockup to include history in the middle
 - o Check alignment of blocks too
- Underlines in text in the hero image feel like links, should remove
- Add more content in the footer
- Initial build looks like it has all the components, needs styling
