

Mock-up review notes
11/10/22

Creative Director: Angela Clemente
Designer: Paige Steuber

Meeting notes:

- Moving forward with mockup A
- Navigation bar at top / sticky at top
- Give title for the section (e.g. "notable artists")
- Add more margin on left and right side, everything gets a bit large at full screen
- Add footer
- Credits on images looks good
- I like the font choice!
- Consider making the tools a separate section or differentiate from the other content a bit more
